EXTRA-CURRICULAR ACTIVITIES

AT WESTLINK INTERNATIONAL SCHOOL

Introduction

Welcome to the vibrant and enriching world of **Extra-Curricular Activities (ECAs) at Westlink International School!**

We are proud to introduce our comprehensive ECAs program, thoughtfully designed to provide students with meaningful learning experiences that go beyond the academic classroom. This brochure presents a wide variety of activities and clubs available for students across different age groups and interests.

At Westlink, we believe that education is not limited to textbooks and tests. Our mission is to support the holistic development of every student—nurturing their creativity, talents, social skills, confidence, leadership skills and love for lifelong learning. Through our ECAs, we aim to help students discover their passions, explore new interests, and grow as well-rounded individuals.

Our ECAs program features nearly 50 after-school activities and clubs, catering to a broad spectrum of interests, including:

- **Sports & Athletics**
- **Music & Performing Arts**
- **Visual Arts & Creativity**
- **Academics & Enrichment**
- **STEAM (Science, Technology, Engineering, Arts, and Mathematics)**
- **ILOS (International Learning Opportunities for Students)**
- **Leadership Opportunities**

To accommodate the diverse interests and schedules of our students, we offer three distinct types of ECAs:

- **Teacher-led ECAs** – run by our dedicated Westlink teaching staff
- **Professional-led ECAs** – conducted by experienced outsourced professionals in specialized fields
- **ILOS (International Learning Opportunities for Students)** – a unique set of global learning experiences offered by the International Schools Partnership (ISP)

We encourage parents and guardians to take time to explore the exciting opportunities outlined in this brochure with their child. Your engagement and encouragement play a vital role in guiding your child to make confident, informed choices. Whether they want to pursue a known passion or try something entirely new, your support empowers them to grow, challenge themselves, and succeed.

Thank you for being an essential part of the Westlink community. We look forward to witnessing your child's growth, enthusiasm, and achievements through active participation in our ECAs program.

Let the journey begin!

ECA Groupings by Grade Level

To ensure that each activity is developmentally appropriate and engaging, Westlink International School organizes its Extra-Curricular Activities (ECAs) into the following grade-level groupings:

Group	Grade Level	Targets
Lower Primary	Intro to Grade 1	Designed for our youngest learners, this group focuses on foundational skills, creativity, and play-based learning. Activities are carefully selected to support social-emotional development, motor coordination, and curiosity.
Middle Primary	Grade 2 to 3	At this stage, students are beginning to refine their interests and develop more structured skills. ECAs for this group offer a balance of fun, discovery, and early skill-building across various domains such as the arts, sports, and STEM.
Upper Primary	Grade 4 to 5	Students in this group are ready for more advanced exploration of their interests. Activities provide opportunities to deepen existing skills, take on leadership roles, and engage in more collaborative and competitive settings.
Secondary	Grade 6 to 9	Students in this group are ready for more advanced exploration of their interests. Activities provide opportunities to deepen existing skills, take on leadership roles, and engage in more collaborative and competitive settings.

ECA Offerings Cycle

Westlink's ECAs are offered across two major cycles throughout the academic year to accommodate a variety of interests and scheduling preferences. Each cycle offers a fresh selection of activities, giving students the opportunity to try new things or continue pursuing their passions.

ECA Cycle	Start	End
1	September 8, 2025	December 5, 2025
2	January 05, 2026	June 12, 2026

Students will have the chance to register for ECAs at the beginning of each cycle. Registration details will be communicated in advance to help families make informed decisions.

We encourage all students to take full advantage of each cycle and explore a variety of ECAs throughout the school year to build confidence, discover talents, and grow through experience.
