Welcome from Executive Principal

Dear students and parents,

It is with great pleasure and immense pride that as Executive Principal, I extend to you a warm welcome to Westlink International School, Hanoi.

Nestled in the heart of Hanoi, Westlink International School may be new to the educational landscape, but our aspirations are boundless. Our vision extends far beyond the mere establishment of an institution; rather, we aim to cultivate a community where every child's potential is nurtured and celebrated. With a steadfast commitment to academic excellence, character development, and holistic growth, we stand poised to make a meaningful impact on the lives of our students and the broader community.

At Westlink International School, we firmly believe that each child is unique, possessing their own strengths, passions, and aspirations. As a caring school, we are deeply committed to nurturing and supporting every child as an individual, fostering a sense of belonging, confidence, and self-worth. Our dedicated staff are not only educators but also mentors, guides, and champions for each child's journey towards success and fulfillment.

Embedded within the fabric of our school is the motto: "Dream, Strive, Succeed." This powerful mantra encapsulates our belief in the limitless potential of every student and the importance of perseverance, resilience, and determination in achieving one's dreams and aspirations. It serves as a constant reminder that at Westlink International School, no dream is too big, no challenge too daunting, and no goal too ambitious. Welcome to Westlink International School, where dreams take flight, aspirations are realized, talents are nurtured and every child has the opportunity to shine brightly.

Warmly,

Dream Strive Succeed

Hinchliff

Ms. Hillary Hinchliff

School Motto

Westlink is a school where every student can not only dream about a bright future, but by striving hard, succeed in achieving it.

Vision

To empower, inspire and educate our students so they can achieve their goals and shape the future by becoming critical thinkers and successful, responsible, internationally minded citizens.

Mission

Westlink International School is a learning community:

- ❖ That encourages the pursuit of excellence.
- ❖ That acts with integrity and communicates respectfully as we work together with our families.
- ❖ That develops creative and critical thinkers who take risks and strive to achieve their dreams and goals.
- ❖ That builds responsible citizens, committed to their country, their environment and to the world around them.

We are

iSP

International Schools Partnership

The International Schools Partnership (ISP) is a growing group of committed colleagues in financially responsible schools around the world, all of which aim to be the school of choice in their local area. Learning is at the heart of everything we do for our students, colleagues and parents. We are committed to getting better, all the time.

- We champion a transformative approach to learning that goes beyond the classroom. By igniting our students' curiosity and growing their self-confidence, our students thrive throughout their time at school and beyond.

Learning Space

Occupying an area of 25,000 m2 at Tay Ho Tay urban area, our school has state-of-the-art classrooms and facilities. Both the Primary and Secondary campuses have their own discrete area in landscaped, natural and spacious grounds. Using the latest research into school building design, our learning spaces have been carefully planned with the needs of our students and their future in mind. Westlink is officially certified as a LOTUS building from the Vietnam Green Building Council (VGBC).

- ❖ **Exceptional and well-furnished classrooms, including purpose-built learning areas for Early Years students**
- ❖ **Innovative STEAM complex: Makerspace, Science Lab, ICT Room**
- ❖ **Sports: Swimming Pool, Multi-purpose Hall, Outdoor Sports Fields, Running Race**
- ❖ **Music & Arts: Music Room, Auditorium, Performing Arts Studio, Visual Arts room, Sound Studio, Green box**
- ❖ **Community Area: Library, Canteen, Outdoor Playground, Garden, Cafeteria, Event Room**
- ❖ **Food Technology Lab**
- ❖ **Specialized air purifier & anti-insects machine systems**

Primary Campus

Intro (Age 5) - Grade 5

The primary campus has been intricately designed to cultivate creativity and support collaborative learning of early years and primary students. Its expansive corridors and dedicated breakout spaces are intended to foster both group and individualized learning, promoting an inquiry-based learning approach. The inclusion of world-class facilities underscores the commitment to providing modern resources for an amazing educational experience.

Secondary Campus

MYP: Grades 6 - 10

MOET Replacement Curriculum (MRC): Grades 6-9

The Secondary Campus offers a great opportunity for student learning through technologically advanced classrooms, learning spaces, and senior student study areas. Unique facilities will help to prepare our students for the realities of the 21st century inter-connected world.

2 Campuses - 1 Spirit

2 campuses | **25,000** m2 | **30+** Functional Rooms

Faculty & Staff

At Westlink International School, our dedicated faculty and staff play a crucial role in driving our educational excellence. Each team member brings a wealth of knowledge and a strong commitment to **creating a supportive and nurturing environment** for our students.

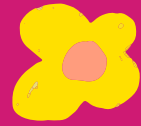

Our teachers, in particular, bring a wealth of global experience and specialized training, embodying the IB philosophy of developing inquiring, knowledgeable, and caring young people.

With a diverse expertise and a genuine love for teaching, our educators go above and beyond traditional methods to inspire and empower students to explore and showcase their unique talent. Through personalized attention and innovative learning experiences, they guarantee that every student can reach their full potential and succeed both academically and personally.

Early Years Programme

(For 5 year-old students)

Our Early Years Programme is designed to provide a strong foundation for our youngest learners through a play-based learning approach. We believe in creating the right climate and environment to develop thinkers, not just knowers and fostering a love for learning, making them feel safe from making mistakes at an early age.

Our philosophy emphasizes the importance of making memorable moments that spark curiosity and joy. They begin to experience a range of subjects, including phonics, traits writing, math through playful and engaging activities. Students are encouraged to explore, inquire, and develop critical thinking skills in a nurturing and caring environment. Our dedicated teachers are committed to unlock their unique talents and interests, ensuring they are actively engaged and excited about their learning journey.

The International Baccalaureate (IB) Education

The IB is a global leader in international education—developing inquiring, knowledgeable, confident, and caring young people. These programmes empower school-aged students to take ownership in their own learning and help them develop future-ready skills to make a difference and thrive in a world that changes fast.

Westlink International School is an IB World School for the Primary Years Programme (PYP) and a Candidate School for the Middle Years Programme (MYP)*.

The IB Programmes

**Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme, or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted. For further information about the IB and its programmes, visit www.ibo.org*

	Level	Grade	Age
 Primary Years Programme	Primary	G1 - G5	6 - 11
 Middle Years Programme	Middle School	G6 - G10	12 - 16

Benefits of IB Programmes

Gateway to the world's highest-ranking university

University credits exempted

Opportunities to receive scholarships or financial aid

Greater leadership

IB Learner Profile

The IB learner profile describes a broad range of human capacities and responsibilities that go beyond academic success. They imply a commitment to help all members of the school community learn to respect themselves, others and the world around them.

As IB learners we strive to be:

Inquirers

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

Knowledgeable

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

Thinkers

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions

Communicators

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

Principled

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

Open-minded

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

Caring

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

Risk-takers

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

Balanced

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

Reflective

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

Primary Years Programme (PYP)

(Grades 1-5)

The IB PYP offers an inquiry-based, transdisciplinary curriculum framework that builds conceptual understanding. It is a student-centered approach that nurtures and develops young students as caring, active participants in a lifelong journey of learning. Westlink International School is an authorised IB World School for the Primary Years Program (PYP).

Guided by six transdisciplinary themes of global significance, students broaden their learning by developing their conceptual understandings, strengthening their knowledge and skills across, between and beyond subject areas.

6 Trans-disciplinary themes

Middle Years Programme (MYP)

(Grades 6-10)

The IB Middle Years Programme (MYP) is designed for students aged 11 to 16. It provides a framework of learning that emphasizes intellectual challenge and encourages connections between studies in traditional subjects and the real world.

The MYP focuses on “learning how to learn” through the systematic development of approaches to learning (ATL) skills for communication, collaboration, organization, self-management, reflection, research, informational literacy, media literacy, creative and critical thinking, and transfer of learning. It also fosters intercultural understanding and global engagement —essential qualities for young people today.

Using global contexts, MYP students develop an understanding of their common humanity and shared guardianship of the planet through developmentally appropriate explorations of:

IDENTITIES AND RELATIONSHIPS

PERSONAL AND CULTURAL EXPRESSION

ORIENTATIONS IN SPACE AND TIME

SCIENTIFIC AND TECHNICAL INNOVATION

FAIRNESS AND DEVELOPMENT

GLOBALIZATION AND SUSTAINABILITY

Westlink is a Candidate School* for MYP and pursuing authorization as an IB World School. These are schools that share a common philosophy—a commitment to high quality, challenging, international education that Westlink believes is important for our students. *Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme (DP), or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted. For further information about the IB and its programmes, visit www.ibo.org.

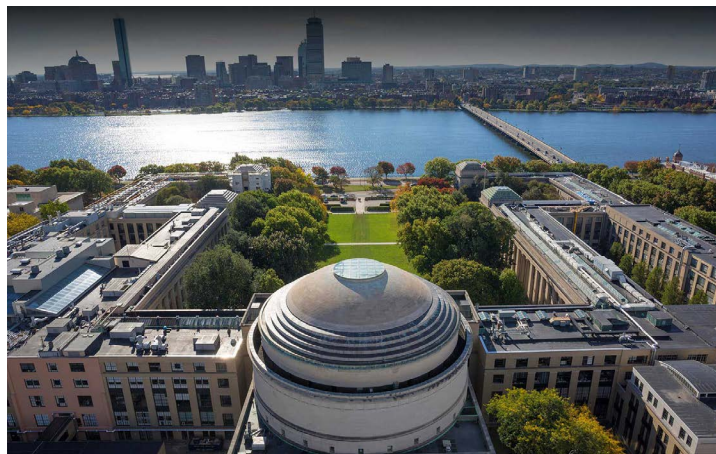

Diploma Programme (DP)

(Grades 11-12)

The IB Diploma Programme (DP) provides an academically challenging and balanced program of education, with final examinations that prepares students for success at university and in life beyond. It has been designed to address the intellectual, social, emotional, and physical well-being of students.

The IB DP is recognized and respected by the world's leading universities, and evidence suggests that higher rates of DP students go on to university and higher education study than non-IB students.

Westlink is a Candidate School* for DP and pursuing authorization as an IB World School. These are schools that share a common philosophy—a commitment to high quality, challenging, international education that Westlink believes is important for our students. *Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme (DP), or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted. For further information about the IB and its programmes, visit www.ibo.org.

MOET Replacement Curriculum (MRC)

(Grade 6-9)

Our MRC blends the curriculum issued by the Vietnamese Ministry of Education and Training (MOET) with the US curriculum, as well as a student-centered teaching approach that focuses on cultivating English acquisition, problem-solving, critical thinking, innovation, and collaboration skills.

We ensure that students maintain a strong connection to Vietnamese culture and traditions through dedicated classes and activities, including Vietnamese literature, history lessons, and cultural festivals. These activities not only enhance students' understanding and appreciation of their heritage but also promote a sense of pride and identity.

At the end of Grade 9, students will transfer to the International Program and undertake a specially devised preparation year for the International Baccalaureate Diploma Program (IBDP).

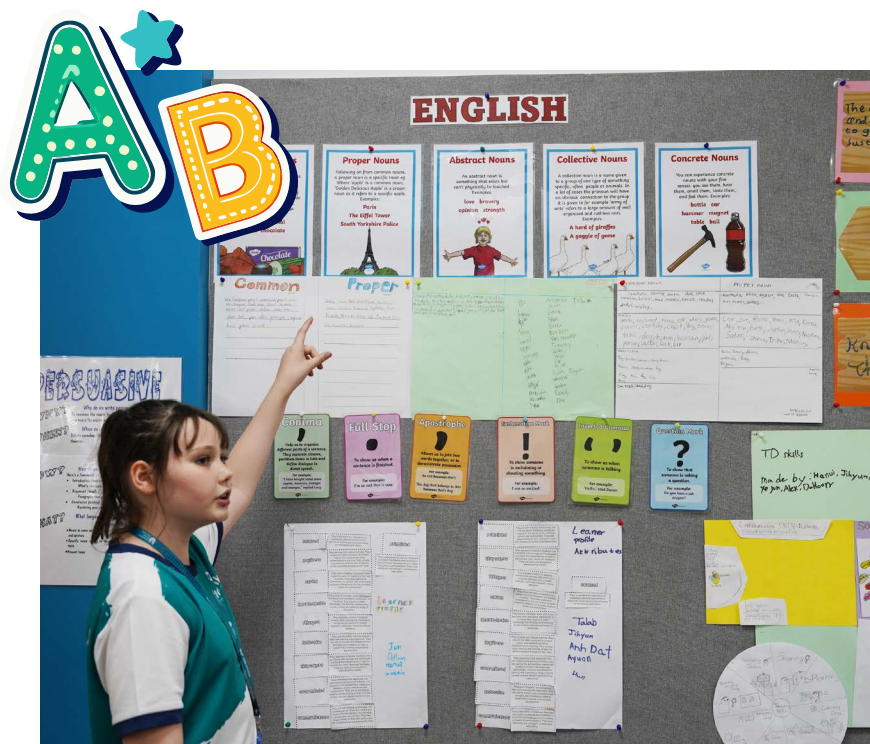

English as an Additional Language (EAL) Program

The EAL Program at Westlink enhances language proficiency, supporting both academic success and social integration. By celebrating multilingualism and fostering an inclusive environment, the program helps students build confidence and a strong sense of belonging.

To address the unique needs of each student, the EAL Program implements Individual Language Plan (ILP) that is collaboratively developed by classroom teachers and the

EAL team. The personalised plan focuses on the specific language goals and priorities for each learner, guiding both in-class and out-of-class interventions. Additionally, the program utilizes Flash Academy, a platform based on The Bell Foundation's English Proficiency assessment tool, which categorizes students into five proficiency bands (A to E). This targeted approach allows for personalized support, ensuring that every student progresses in their language learning journey.

In Their Own Words

"The teachers at Westlink are not only knowledgeable but also incredibly kind and supportive. Their dedication to their students' success is truly inspiring. I feel like every day is a new adventure, and I am grateful to be part of such a vibrant and nurturing learning environment."

Stella - G6S

I think Westlink is an amazing school. The spirit of the school is literally unstoppable. The sense of community and support here is incredible. You can do anything at Westlink, but it's important to remember to respect and follow the rules. I'm proud to be a part of such a wonderful and empowering school environment."

Joe - G8S

I believe the school is fantastic, and the facilities here are incredible. I am so glad that I had the opportunity to join this school. Believe me, if you enroll your child here, their life will change the moment they arrive. Thank you."

Angus - G8S

I feel very lucky to have met one another and come so far together as a class and also as a "family". A family where we could count on each other, a family where it's okay to be weird, okay to be sad, and a place where everyone is waiting with open arms."

Yen Nhi - G8S

Thanks to Westlink's education, my kids have acquired the ability to think and communicate with others. Also, the teachers and staff are very enthusiastic and caring. They give children a lot of advice, so my kids are more confident and enjoy Westlink more and more."

Igarashi Family

In addition to focusing on academic knowledge during class time, subjects that were considered as "electives" in my generation, such as Arts and Physical Education, are also invested in and the curricula are tailored in detail. The school focuses on helping each student maximize their specific strengths."

Ms. Minh Trang

I chose the IB curriculum for my kid because he can learn beyond the textbook. He can learn by sharing his thoughts with each other, doing experiments in day-to-day life, experiencing practically, not just in the book kit knowledge."

Ms. Priyanka Shrivastava

We can see values like discipline, stability, confidence, sharing, and love for each other, and I think the values that we would like to nurture are also what we can see here at Westlink. It's good for us to see happy kids like Mila here."

Mila's Grandparents

Student Life at Westlink

WESTLINK NURTURES TALENTS

At Westlink International School, our main goal is to nurture the unique talents of each student. We strongly believe that personalized attention and a global perspective are the key to unlocking the potential within every individual.

Our diverse learning environment provides students with exposure to a wide range of cultures, ideas, and perspectives, which serves as a catalyst for talent development. With personalized support, we tailor our approach to meet the needs and interests of each student, guiding them on their journey of self-discovery and growth.

My talent is
Chess

My talent is
Piano

We take a holistic approach to education, going beyond academic excellence to encompass arts, sports, leadership, and community service. By encouraging students to explore their passions and talents in various domains, we empower them to become well-rounded individuals equipped for success in an interconnected world.

My talent is
Science

My talent is
Swimming

Welcome to Westlink HOME OF WOLVERINES

Our school's official mascot is the Westlink Wolverines! Wolverine is an animal that has a reputation for ferocity and strength out of proportion to its size, with the documented ability to defeat prey many times larger than itself. Known for their fierce determination and indomitable spirit, they represent more than just a mascot; wolverines embody the core values that define our school community – strength, resilience, and an unyielding commitment to excellence. Our Wolverines teams are recognized by other international schools within Vietnam and internationally (Hanoi, Bangkok, Malaysia, etc...) for their integrity, ability, and sense of fair play.

Sports Programme

Westlink's sports programme is designed to promote physical fitness, teamwork, perseverance, risk-taking, ethics, and sportsmanship. We offer a diverse range of sports activities including swimming, football/soccer, basketball, badminton, water polo, etc in PE subject, ECA activities and competitions; preparing students to excel both on and off the field. Our state-of-the-art facilities and experienced coaches provide a supportive and challenging environment where students can develop their athletic abilities, learn the importance of sportsmanship, and cultivate a lifelong love for physical activity.

HOUSE SYSTEM

The House System of Westlink International School plays a vital role in fostering a sense of fellowship among students and strengthening bonds that last a lifetime. Every student belongs to a House, each with its distinctive name, corresponding color, flag, elected house captain and dedicated members.

We proudly feature four houses—Lotus, Bamboo, Dragon, and Water Buffalo—each symbolizing a unique aspect of our host country, Vietnam. The Lotus represents purity and resilience, Bamboo signifies strength and flexibility, Dragon embodies power and wisdom, and Water Buffalo stands for hard work and perseverance. These houses provide students with a sense of belonging and identity as they engage in various inter-house sports competitions and activities throughout the year including Sports Day.

This authentic Harrow tradition creates a platform for students of different ages to work closely together. Older students are assigned to care for younger peers, forming a close-knit community within the wider school. Students are encouraged to showcase their talents, and demonstrate leadership skills, as well as respect and appreciate individual strengths, which will benefit them for life beyond school.

The Arts

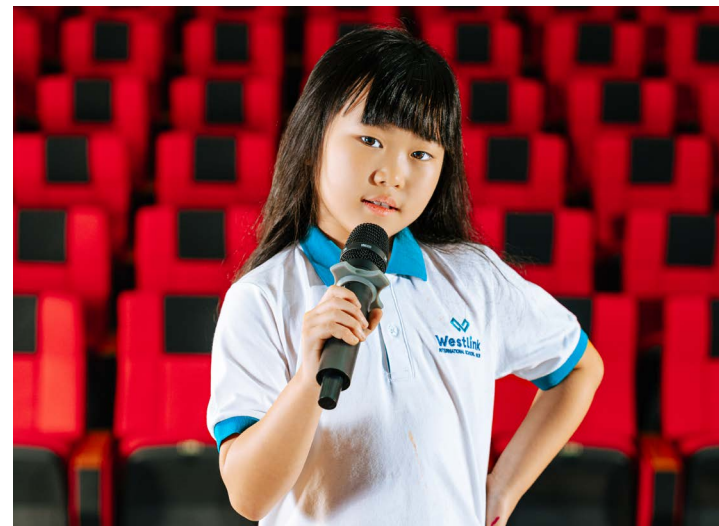

Arts are built into the IB curriculum as essential areas of learning. Students are required to engage in a range of performing arts (dance, drama, music) and visual arts experiences. Our Arts program allows students to develop their creativity and follow their passions while also building their confidence and maturity in preparation for higher learning and a richer, fuller life.

Students have access to our dedicated facilities, which include a 500- seat auditorium, drama studio, dance room, arts room, visual arts studio.

Sciences

With inquiry at the core, Sciences in the IB Programmes aims to guide students to independently and collaboratively investigate issues through research, observation and experimentation. Westlink's sciences curriculum explores the connections between science and everyday life. As they investigate real examples of science applications, students discover the tensions and dependencies between science and morality, ethics, culture, economics, politics, and the environment.

Extra Curricular Activities (ECAs)

At Westlink, we believe in the holistic development of our students. Our extensive Extra-Curricular Activities (ECAs) programmes offers over 50 after-class activities and clubs, providing diverse opportunities for students to explore their interests and talents beyond the classroom. We have 3 ECAs Programmes:

- Teacher-led ECAs
- Professional ECAs
- International Learning Opportunities for Students (ILOS) from ISP

From sports, arts to academic clubs and community service, our ECAs are designed to foster creativity, teamwork, leadership, and personal growth. Our dedicated staff and state-of-the-art facilities ensure that every student can engage in meaningful and enriching experiences, helping them develop into well-rounded individuals prepared for the future.

Please scan the QR code to explore the ECAs:

Learning beyond classroom

We believe that learning excursions extend far beyond the classroom. Our comprehensive program provides students with hands-on, experiential learning opportunities that enhance their academic and personal development. These outings are carefully designed to complement our curriculum, allowing students to explore new environments, engage with real-world challenges, and deepen their understanding of various subjects.

Whether visiting historical sites, scientific institutions, or cultural landmarks, our field

trips and excursions aim to inspire curiosity, foster critical thinking, and cultivate a love for lifelong learning. The IB approaches to learning skills (ATL) are grounded in the belief that learning how to learn is fundamental to a student's life in and out of a school context, which aligns perfectly with our mission to broaden our students' horizons and prepare them for success in an interconnected world. Through these enriching experiences, we strive to ensure that students are well-equipped with the skills necessary for lifelong success.

Safeguarding

The safety and well-being of our students are our top priorities. We recognise that our school community, including teachers, staff, contractors, and partners are particularly important in protecting our students; they are in the best position to identify concerns early and provide or identify help for students as well as helping to prevent these concerns from escalating.

Our **Child Protection and Safeguarding Policy** is built on fundamental principles designed to ensure a secure and nurturing environment for every child. The school also has a dedicated Safeguarding Lead Team who oversees the implementation and maintenance of our safeguarding practices. We adhere to rigorous child protection and safeguarding standards, ensuring all staff members are well-trained and equipped to recognize and respond to any concerns.

"All students need to be safe and feel safe in school."
- ISP's child and safeguarding principles -

SAFEGUARDING

AT WESTLINK INTERNATIONAL SCHOOL

Safeguarding is all about keeping children safe from harm and ensuring their well-being. It's the responsibility of everyone—parents, teachers, neighbors, and organizations—to make sure that children grow up in a safe and healthy environment.

What is safeguarding?

Protecting children from any kind of harm, whether it's physical, emotional, or neglect. It ensures children are safe at home, school, or anywhere else.

Why is it important?

It helps make sure children grow up happy, healthy, and secure. It prevents bad things from happening, like abuse or bullying, and helps children get the care they need when things go wrong.

Who is responsible?

Everyone! Parents, schools, doctors, coaches—anyone involved in a child's life has a duty to keep them safe.

Examples of safeguarding

- ❖ Making sure children are safe on the internet.
- ❖ Listening to a child if they say they're upset or uncomfortable.
- ❖ Reporting concerns if you think a child is being mistreated.
- ❖ Teaching children about boundaries and personal safety.

What should parents do?

- ❖ Be involved in your child's life and know who they spend time with.
- ❖ Teach them about safe and unsafe situations.
- ❖ If you're worried about a child's safety, speak up! You can report it to a teacher, a social worker, or the police.

Safeguarding is like putting a protective bubble around children, so they can grow and learn without fear. It's all about creating safe spaces for them to thrive.

Your child's safety is our priority!

SAFEGUARDING TEAM

I am sad... 😞

I haven't eaten properly

I am scared to be alone... 😞

I am unable to focus on my learning...

😞 I am unsure of what is happening around me...

😡 I am angry...

I am afraid to talk to someone...

I have no friends 😞

We are here to listen and keep you safe!

Parent Forum

At Westlink International School, we highly value the partnership between parents and the school. Our Parents Forum is a vital platform that ensures open communication and collaboration. Each class will have a parent representative who will convey the views and concerns of all parents in their child's class and act as an ambassador for the school.

The Parents Forum meets with the School Leadership Team once a month, providing an opportunity for parents to actively engage in school affairs, share feedback, and contribute to the continuous improvement of our educational environment. Through this forum, we aim to foster a strong and supportive school community, enhancing the overall experience for students, parents, and staff alike.

"You talk, we listen, for the best of our children."

Parent Life at Westlink

Parents' involvement in learning

Parent/Teacher/Student Conference

Our Parent/Teacher/Student Conferences are designed to foster open communication, set shared goals, and support each student's academic and personal growth. These conferences provide a dedicated time for parents and students to meet with teachers to discuss progress, address concerns, and celebrate achievements.

Witnessing students' reflection

Parents are invited to inspiring Gallery Walks/Project Exhibitions/Assemblies to witness students present their projects, artworks, inquiries, and reflections after each unit. This dynamic event fosters a sense of community, encourages peer-to-peer learning, and celebrates the diverse talents and perspectives of our young learners.

School Community Events

We believe that parents play an integral role in our inclusive community. We warmly welcome parents to join our vibrant community events, such as International Day, Sports Day, Mid-Autumn Festival, etc. These celebrations are integral to our school culture, providing opportunities for families to come together, celebrate diversity, and build strong connections within our community.

"No schools can work well for children if teachers and parents do not act in partnership on behalf of children's best interests."

Our Neighborhood

Westlink International School is ideally located in the heart of Tay Ho Tay (Westlake), offering excellent transportation links with easy access to Noi Bai International Airport and central districts of Hanoi. The school is situated in a safe and secure neighborhood, surrounded by a vibrant international community, including the Korean Embassy, Starlake, Ciputra, and Samsung buildings, Xuan Dieu, To Ngoc Van street, etc. Additionally, it is conveniently close to numerous amenities, including Lotte Westlake, grocery stores, and a variety of restaurants, providing families with everything they need within reach.

Great places to live

- 3. Syrena Shopping Center

Admissions Procedure

As parents, choosing a school is one of the most important decisions we make for our children. When you become part of the Westlink family, you choose a school that is committed to providing your children with the skills and abilities needed to become good people, critical thinkers and successful, responsible internationally-minded citizens and leaders. We look forward to meeting and welcoming you and your children to Westlink International School Hanoi.
